FOREWORD

It is a matter of pleasure to introduce the 8th edition of the list of Civil Engineering Department Officers available as on 01.06.2022 (both Gp 'A' & Gp 'B' of Indian Railways), being brought out by Shri S.K. Bansal, Retd. Chief Rolling Stock Engineer, Northern Railway, containing the large information of Civil Engineering Cadre including their seniority, status, cadre structure, postings and all such relevant details.

Sh. S.K. Bansal is having vast experience of producing the important statistics/comparative data in most interesting manner. Despite being in the 17th years of his superannuation, I am surprised to note that Sh. Bansal has been collecting individual officer's data and then presenting it in such a purposeful way.

Bringing out the 8th edition of Civil Engineering Department speaks well of his unparalleled zeal, enthusiasm and passion. The publication is not only beneficial for individual officer, but also for administration for taking important decisions for the career prospects.

I congratulate Shri Bansal for bringing out this 8th edition and wish him success for the endeavour and hope he will still continue to serve the cadre of officers by creating such publications in coming years.

A FEW WORDS

Right from the time of my appointment in Railway, I have been nurturing the hobby of keeping the track of maintaining the lists/seniority lists and the relative statistics. This has helped me a lot to put across the problems of the supervisors/officers cadres to the appropriate authorities, which to my mind played a crucial role in solving their various problems.

Even after becoming a Gazetted Officer, I continued with this hobby of mine. In order to present the problems of the cadre forcefully, large information/statistics were required to be compiled and maintained. Many Officers who happened to meet me whether on official or personal issues, appreciated the compilation, seniority lists, also other related information and statistics of all departments very much. Few also suggested that I should find out ways to ensure that this detailed information reaches to every one. This was more so in the present times, as information is a real treasure today.

The lists of officers, pertaining to all departments, therefore were published in the year 2003. After that 7 editions have been published by now, almost every 2 yrs. All these publications have been appreciated very much by everyone, as also by the administration, being very handy, useful and informative. It is now the 8th edition for Civil Engg. Deptt.

My total effort is before you. I know, that there may be many mistakes, which are bound to occur in such a booklet. But an honest effort has been made and the result is before you. If appreciated, please do convey suggestions, if any, please don't hesitate to point out errors also, which shall be accepted with thanks. I am of the strong feeling, that belonging to one department inculcates one-ship and finding the names of all persons at one place with several related details further creates brotherhood, hence this booklet.

Such publications are not possible to be brought out without express help of a very large number of persons, as was in this case too. This onerous task was taken on my shoulders, on account of widespread appreciation, cooperation and sincere help extended by many officers, which worked as a motivation for me to continue such publication even in the 17th year of my superannuation. I confess, it would not have been possible without such contribution, help, support and motivation. It is just not possible to extend my sincere thanks to all of these persons individually but I do extend my heartfelt thanks first of all to **Sh. A.K. Khandelwal, PED/GS/Rly. Bd.** now, and to **Sh. Praveen Kumar, Sr. Inspector** working under **OSD/ME/RB**, who's unconditional help & supply of information, was mainly responsible for enabling me to bring out this eight edition. In addition the help extended by **S./Sh. Tushar K. Pandey, ED (T&MC)**, **Sh. V.K. Tripathi, CE/TSP/NR**, **Sh. S. Kulshreshtha, Dy.CE(Plg.)/CR**, **Sh. P.R. Singh, JGM/Proj./RLDA, N.Delhi**, **Sh. Karan Kapoor, TSO/II** and many others is acknowledged with gratefulness.

'INTRODUCTION TO THE BOOKLET'

I am happy to mention here that this Seniority lists of all the eight departments, are being published since 2003 when its first edition was published for the first time, by the undersigned. The same were taken with lot of interest by every one concerned. The list in fact, became an integral part of briefcases of all high officials, who matter most in respect with seniority/promotions etc., despite the fact that this is not an officials publication. This publication though may lack in official authenticity, but it is still containing most authentic information of the department at a single place, specially for officers below SA Grade. Since then 7 editions of all deptts. (10 of Mech.) have been published regularly at about 2 years gap. The 8th edition of Electrical, S&T & Mech. (11th) have already been issued in 2021-22, And for Civil Engineering the eight edition as on 1st June 2022 is before you, which has been delayed by over one year due to Covid conditions.

This booklet is divided into two parts. **Part 'A'** contains the list of the entire Group 'A' Officers right from the top of the department to the latest probationer. Also included are Group 'B' officers inducted in Group 'A' at their appropriate place (in bold letters). This list is as per seniority up to 2017/18 batch, as seniority has been issued officially upto this batch only (Group 'B' list is updated). The remaining names have been given batchwise, and do not necessarily indicate actual seniority in their batch.

Part 'B' contains the list of all Group 'B' Officers of on Indian Railways. The seniority of Gp.'B' officers, on all India basis is now being issued by Rly. Bd. hence this Seniority List has been compiled as such, (upto the year 2008 (part), upto S.No.386 of this list) as issued by the Board. The balance list has been compiled on the basis of year of entry in Gp.'B' indicating the different Railways alphabetically in the particular year. Though in each railway, the inter-se-seniority is mentioned, which is relevent for promotion for any promotion in the zone. It has however little relevance with officers of other railways of the same year.

Though efforts have been made to indicate correct postings station/posts or zone (as available), but it may be appreciated that it is a very difficult task to keep track of such large number of officers. Therefore, there might be some mistakes and omissions in the same.

My efforts are before you through this booklet. I would be grateful if you would give me the feedback on this and point out any mistake which you notice, so that the same could be rectified. If you feel that this is an effort worth appreciating, please do not hesitate to encourage by writing/calling. Please do not hesitate to point out mistakes or suggestions for improvement, if any.

AN APPEAL

I have been bringing out the Seniority Lists of all Gazetted Officers of all department for the last 19 years. Starting from 2003, 7 editions of Seniority Lists of all departments (Eight Departments) have been brought almost in alternate years. Since 2003. From 1st edition 2003, 2nd 2005, 3rd 2008-09, 4th 2010-11, 5th 2013-15, 6th 2016-17, 7th edition in 2019 (Mech. 3 editions additional), eight edition has started coming w.e.f. 01.04.2021 (S&T, Elect. & Mech. published by now).

I have received wide spread appreciation from all corners of India, right from Members of the Board, to the lowest Asst. Officers. But now, having felt little difficulty to collect information due to my retirement 14 yrs. back I have an appeal, for all officers, that whenever any information is available for any department as far as promotion/transfer, induction, promotion from lower cadre or seniority list of promotee etc. is issued, kindly arrange it to send me the same at the following address/E-mail address. It will help me to serve you better.
