## **FOREWORD**

There has been significant expansion in the cadre of the S&T Department in the Indian Railways over the years, which is commensurate with the importance of adoption-and-control technologies in the Indian Railways Network. Consequential to the new requirements of the management, new posts have been created and new officers have joined the cadre.

The need of the making the information of the officers regarding place of posting, month of birth, batch inter-alia available in a concise form of publication cannot be under estimated. Shri S.K. Bansal, who retired as CRSE/NR has taken pains to collect this information for both Group A & Group B officers of S&T Department over the Indian Railways. I am sure that this will be useful publication for many including administration.

I appreciate the initiative and efforts taken by Sh. Bansal, to bring out this 9th edition of S&T Department, which is being brought out every two years almost since 2003 and trust that Shri Bansal will continue to do good work in future also.

With best wishes.

## FOREWORD

S&T Department has been harbinger of new ideas and technologies in Indian Railways. With increasing complexity of work and of the role, the cadre of the officers has also expanded over the years. For camaraderie of the officers in this complex environment, the need of the information about the cadre mates attains significance. Further the information about the cadre mates will help in connecting with each other on technical and managerial issues and making groups for common interest.

The initiative to publish this information in booklet form has been taken by Shri S.K. Bansal, who retired as CRSE, Northern Railway, as back as 2005. I appreciate the efforts and initiative taken by him in bringing out the 9th edition of S&T Department, which is being published almost every two years since 2003, which speaks of tremendous capacity, great enthusiasm and great interest towards the cause. I trust that the continuous to go do good work in future also with same zeal.

With best wishes.

## A FEW WORDS

From the time I was appointed in the Railways, I had the hobby of keeping the track of/maintaining the lists, seniority lists and the relative statistics. This helped me a lot, to put across the problems of the Railway Officials and the cadres to the appropriate authorities, which to my mind, played a crucial role in solving various problems.

After becoming a Gazetted Officer, I continued my this hobby. Many Officers who happened to meet me, whether on official or personal issues, appreciated the compilation, seniority lists, also other related information and statistics of all departments very much. Few of those also suggested that I should find out ways to ensure that this detailed information reaches to every one. This was more so in the present times, as today, information is a real treasure.

First of all, the department -wise seniority, which was published, was of Mechanical Deptt. in Jan. 2003, followed by seniority lists of all the eight departments in 2003. After about 2 yrs. each, a total of eight editions were brought out. This is now the tenth edition, which is being brought out again after about 2 yrs. All the earlier publications were appreciated very much by everyone on railways as also by the administration, these being very handy, useful, and informative.

My effort is before you. I know, that there will be many mistakes, which are bound to be their, in such a booklet, but honest effort is before you. If appreciated, please do convey. Suggestions, if any, including pointing out errors, shall be accepted with thanks. I am of the strong feeling that belonging to one department inculcates oneship and finding the names of all persons at one place further creates brotherhood.

At the end, I would like to extend my heartfelt thanks and gratitudes to **SH. AVNISH ARORA**, DSTE/TELE/RB, without whose initiative and motivation, it would not have been possible to bring out this edition of the list. In addition, all thanks are due to **SH. R.K. KAPOOR**, RETD. DSTE/RB too, who, all among many others extended, all possible help to bring out this edition.

Please do give your considered views.

## 'INTRODUCTION TO THE BOOKLET'

Seniority list of all department, (8 Nos.) were published in the year 2003, by the undersigned. The same were taken with lot of appreciation by every one concerned. The list in fact, became a integral part of brief case of all high officials, who matter most in respect with seniority/promotions etc., despite the fact that this is not an officials publication. This publication though may lack in official authenticity, but it is still containing most authentical information of the department at a single place, specially for officers below SA Grade. This is now the 10th Edition, the last (9th) being on 01/03/2023. Effort is made to ensure that the frequency of each booklet should atleast be alternate year.

This booklet is divided into two parts. Part 'A' contains the list of the entire Group 'A' Officers right from the top of the department to the latest probationer. Also included are Group 'B' officers inducted in Group 'A' at their appropriate place. This list is as per seniority up to DR 2019-20 (Exam/allotment) batch (for promotees it is upto date), as seniority has been issued officially upto this batch only.

Part B contains the List of all Gp.'B' Officers on India Railways. The Seniority of Gp.'B' Officers on all India basis has now been started which is being issued by the Railway Board, hence this Seniority list has been compiled as such, upto the year 2017, (upto S.No. 125) as issued by the board on Rly. wise arranged alphabetically.

Though efforts have been made to indicate correct posting station/posts or zone (as available), but it may be appreciated that it is a very difficult task to keep track of such large number of officers. Therefore, there might be some mistakes and omissions in the same.

My efforts are before you through this booklet. I would be grateful if you would give me the feedback on this and point out any mistakes which you notice, so that the same could be rectified. If you feel that this is an effort worth appreciating, please do not hesitate to encourage by writing/calling, e-mailing.

## **PART 'B'**

This contains the list of Gp.'B' officers. Earlier editions the Gp.'B' were arranged based on their year wise entry in Gp.'B' arranged in the alphabetical order of Railways (Zonal Seniority Wise) for a particular year.

Now, the list of Gp.'B' officers has been given seniority wise, because, the Railway Bd. now is issuing integrated seniority on all India basis. Hence this list is, as issued by the Board is given upto the year 2017 (upto S.No. 125 only). The balance officers have been indicated based on their date of joining in Gp.'B' by the compiler of this booklet based on their yearwise entry in Gp.'B' arranged in the alphabetical order of Railways. Hence may be taken as provisional only.

## **AN APPEAL**

I have been bringing out the Seniority Lists of all Gazetted Officers of all department. Starting from 2003, 9 editions (12 for Mech. Deptt.) of Seniority Lists of all departments (Eight Departments) have been brought almost in alternate years since 2003. From 2025, 10th edition has been started, Starting from Civil (Jan 2025), Mech. (April 2025) 12th Edition and now S&T Deptt. (July 2025) 10th edition.

I have received wide spread appreciation from all corners of India, right from Members of the Board, to the lowest Asst. Officers. But now, having felt little difficulty to collect information due to my retirement more than 17 yrs. back I have a appeal, for all officers, that whenever any information is available for any department for promotion/transfer, induction, promotion from lower cadre or seniority list of promotee etc. is issued, kindly arrange it to send me the same at the following address/E-mail address. It will help me to serve you better.

## Intrusion Detection System

Objectives:

- 1.Tracking Elephant Movement near railway Track
- 2.Train Tackling – Speed ,direction and location
- 3.Digging near Railway Track.
- 4.Fiber degradation and theft
- 5.Alerting Roadside for Train approaching to LC Gate
- 6.Technology : OFC based Distributed Acoustic Sensing (Existing OFC) with Artificial Intelligence

**Deployment Precaution**

**Benefit of the System**

1.Sense system can detect the movement of elephant in advance of 30m or more track width, in case of or dashing case due to 30m or more track width, this reducing savings to construction and other rolling stock

2.IH will help in increasing the mobility of rail transport over NF Railways by enhancing the speed of rail transport over NF

3.System will be able to identify digging near track along the 4.Able to identify any fiber cut in the monitored section.
